*Ref: Nomination for Board position*

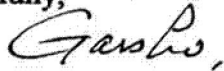

Dear Eido Roshi and Committee Members:

I respectfully submit the following name for your consideration as a possible candidate for the Board position.

*Mr Jacques Van Engel:* Mr Van Engel travels extensively in his professional capacity at the U.N's Economic Development Office. His exposure to people is global and at all levels. He has also practiced regularly at NYZ and has been consistently reliable and responsible with his commitments (membership dues are paid regularly; sesshin and all-day sitting participation are regular).

In interacting with him over the past 3 years, I find his judgement and behavior to be mature, balanced, reasonable, and diplomatic. I have never heard him engage in gossip or make negative or disparaging comments about anyone, in or out of NYZ, nor have I heard any negative comments made about Jacques. I believe Jacques Van Engel has the appropriate motivation to serve the ZSS unselfishly and well, and that he will be an asset to the Board.

Respectfully,

Lea Liu
